3. Five ballots voted absentee were counted even though the residents were registered in another jurisdiction in violation of as 15.05.010(4).

4. Six ballots in House District 27 Precinct 915 were improperly denied their right to vote based on the failure to properly provide notice of the polling place location change in violation of the law and Division of Election regulations and procedures.

5. Numerous other violations of the law occurred in the conduct and counting of the general election held on November 3, 2020 in various precincts in House District 27 depriving the voters of their right to a fair and objective election.

6. This court should promptly conduct a complete review of the election and the recount and require a retabulation of the votes, properly and legally cast consistent with the law in the November 3, 2020 general election for the State House in Alaska Election District 27.
