Statement of Darla McKay – Asotin County Auditor

While scanning yellow election envelopes for signature verification Carissa Woodward popped up as cancelled per death. Based on the obituary from the Lewiston Morning Tribune my office had cancelled Ms. Woodward's voter registration on 10/27/2016. Ms. Woodward passed away on 10/22/2016 which was the day that I received my ballot in the mail.

The date on the signed yellow envelope has the date 10/19/2016 written. As the timeline and supporting documentation shows that date would have been impossible for Ms. Woodward to have her ballot unless it had been picked up at the Asotin County Auditor's Office. If the ballot would have been picked up early the yellow envelope would have a white label instead of the actual printing that happens at our mail center immedia. Ms. Woodward's yellow envelope has the printing from the mail center in Tacoma.

I sought legal advice from Deputy Prosecutor Jane Risley as to whether I should reach out to Mr. Woodward, since our office had already cancelled Ms. Woodward due to death. Ms. Risley suggested reaching out to Mr. Woodward to explain that I was investigating possible voter fraud and find out from Mr. Woodward if there is the possibility of someone attempting identity theft of Ms. Woodward or if someone could have stolen mail from their mail box.

I called Mr. Woodward shortly after speaking with Ms. Risley. After Mr. Woodward answered the phone I introduced myself, gave condolences, and explained that I was investigating possible voter fraud and the possibility of someone attempting identity theft on his deceased wife. Mr. Woodward stated that his wife had voted her ballot before she passed away. I stated that the date on the yellow envelope was not a possible date that his wife could have signed her ballot. Mr. Woodward's statement was that I guess her vote won't count. I also explained that the signature on the yellow envelope did not match Ms. Woodward's signature, at that point Mr. Woodward story changed and he told me that he signed her envelope as POA. I explained POA does not work in a voting situation and there was nothing on the envelope to indicate that it was signed in as a POA. Mr. Woodward once again made the statement that he guessed his wife's vote wouldn't count. I explained to Mr. Woodward that our office had cancelled his wife's voter registration based on her obituary and date of death.

Investigating this further I found that Carissa Woodward passed away at 2:00am on 10/22/2016, which is the same day that I received my ballot in the mail.

Hi,

Here are the scans of the 8125s for your mailings. The round date stamps are from the USPS. The one that's to the right and about center (October 18) is from Kevin Bacon, the USPS Mail Clerk that verified the mail at our shop. The one at the bottom, that is hard to see (October 19) is from Minh Dao, the USPS Mail Clerk that accepted the mail at the NCD in Federal Way.

Let me know if you need anything else.

## Carissa Anne Woodward

Oct 27 2016

Carissa Anne Woodward

Carissa Anne Woodward of Clarkston died peacefully in her home surrounded by her family on Saturday, Oct. 22, 2016. She was 62 years old.

Carissa is survived by her husband, Don Woodward of Clarkston; her children, Lilli Willingham and Jason Woodward; and her five grandchildren, Jake, Destiny, Brandon, Marie and Brailyn.

Carissa was born March 21, 1954, in Boise, to Caroline and Bob Roberts, along with her younger siblings, Gary, Bob Jr. and Rebecca. She had a happy childhood and eventually moved to the McCall/New Meadows area. Carissa met her soulmate and lifetime best friend Don in high school, and the pair were soon married. Not long after pledging their lives to one another, Carissa and Don proudly welcomed their children into their lives, Lilli, and a few years later their son, Jason. It was when Carissa became a mother that her life truly began. She took great pride in caring for her little family, and the only love that could possibly compare to the love she already had was that which she felt when her grandchildren were born.

Her face brightened with pride and joy every moment she spent with her loved ones. Carissa returned to school as a non-traditional student and graduated with her nursing degree from Walla Walla Community College, becoming the first in her family to graduate from college, and all while working full time to continually provide for them.

Once geared with her credentials, Carissa unleashed her gentle and compassionate nature into the world, healing her patients with both her mind and loving heart. Until the moment she passed, Carissa selflessly gave all of herself to her family, her colleagues

and her patients. The love she  to offer changed lives and left the world a brighter and more loving home for everyone she cared so much for.

In addition to her successful career as an registered nurse, Carissa was a very talented cook and loved spoiling everyone around her with her delicious foods and scrumptious sweets. She was also always incredibly proud of her 46 years of marriage to her beloved husband Don, who deeply loved and cared for her every moment of their lives together. Her memory will forever live on through him.

Carissa passed away peacefully in her home after her valiant battle with cancer. She will be remembered as an angel among humans, a soul more loving and beautiful than this world has ever known.

Services are scheduled for 2 p.m. Saturday at the Episcopal Church of the Nativity, 731 Eighth St., Lewiston. All are welcome to attend and celebrate Carissa's beautiful life. Condolences can be sent by signing the online book of memories at [www.merchantfuneralhome.com](http://www.merchantfuneralhome.com).
