ORDER OF DISMISSAL

This matter comes before the Court this 17th day of June 2020, upon the Defendant's successful completion of a period of one year of supervised probation ordered following his conditional no contest plea to Count One of the Indictment pursuant to West Virginia Code § 61-11-22a. The Court notes that its prior Order declared that the Defendant's case shall be dismissed if he succeeded on supervision. The Court further notes that one year has elapsed without an allegation that the Defendant has violated probation. Wherefore, the Court does hereby **ORDER** that the case lodged herein against the Defendant is **dismissed with prejudice**.

There being nothing further for the Court's consideration, the Clerk is directed to enter the foregoing Order and transmit attested copies thereof to all counsel of record and the Probation Department. The Clerk shall then remove this case from the active docket and report the matter as closed.
